

Moo! Masks

Materials: □ 1 Large paper dinner plate □ 2 Small paper dessert plates □ Scissors
□ String or yarn □ Glue or staples □ Crayons, markers, or colored pencils

Directions: **1.** Have the students cut one dessert plate in half. **2.** Have the students staple or glue the other dessert plate behind the large dinner plate. **3.** They should draw eyes on the dessert plate and a mouth on the dinner plate. **4.** Next use the dessert plate that was cut in half to make two ears that are glued or stapled to the top of the dessert plate with the eyes. **5.** Have the students use the writing utensils to color the cow to match their favorite breed. **6.** Attach string to the side of the mask to allow it to wrap around their heads.

BONUS!

Cut out the black circles provided to give your dairy cow some spots!
